NOTE: Notwithstanding the number and storage capacity of the existing godowns and those expected to be constructed/acquired during the contract period the description of which is given in the tender, the Corporation may, during the currency of the contract, take over/acquire/construct more godowns for storage as and when necessary. Alternatively, it may also be necessary for the Corporation to give up or release one or more godowns out of those, the description of which is given in these documents or out of those, which are constructed/acquired later during the pendency of the contract. In such an event the contract shall not be rendered invalid and the contractor shall be bound to perform all the services/duties and execute all the works as per terms and conditions and rates of the contract and they shall not be entitled to make any claim whatsoever against the Corporation for compensation/revision of rates or otherwise due to increase/decrease in the number of godowns or the storage capacity of the godowns.

2. Weight of the stocks may be required to be physically verified.
3. Non-standard bags may be required to be standardized in the godowns.
4. The particulars given above are intended merely to help the tenderers to form their own idea of the approximate quantum of work involved in this contract. The tenderers must acquaint themselves fully with the size and location of godowns vis-à-vis loading/unloading points. They are warned not to rely on the particulars given in the notes above. No guarantee is given that all the items of work shown above will be required to be performed. The successful tenderers shall be bound to execute all works as required under the terms of contract and shall not be entitled to make any claim whatsoever against the Corporation for compensation, revision of rates or otherwise on the basis of particulars referred to above.

2 A. Object of the Contract:

The contractor shall render all or any of the services given in Tender document as and when necessary as directed from time to time by the General Manager or an officer acting on his behalf together with such additional, ancillary and incidental, duties, services and operations as may be instructed by the General Manager or an officer acting on his behalf and as are not inconsistent with terms and conditions of this contract.

B. Brief description of work:

- (I) Unloading/Loading of foodgrains bags from /into railway wagons, trucks etc., stacking the foodgrains in bags, bagging, weighment, standardization, cleaning of foodgrains, etc., and transporting of foodgrains from Railway Goodshed/Siding to Corporation Godowns or vice-versa or transporting them from any place to any other place in & around.....(elaborate description of service given in CL.XIX of Annexure terms & conditions).
- (II) The tenderers must get themselves fully acquainted with the size and location of godowns vis-a-vis loading/unloading points before submission of tender and rates quoted by them for loading into/ unloading from trucks/wagons shall be deemed to have been done after such acquaintance. Once a tender is submitted by a party, he shall be deemed to have fully acquainted himself with the size and location of godowns vis-a-vis loading/unloading points and he shall not be entitled to any compensation arising out of any discrepancy in the size and location of godowns/group of godowns found later on, or on the ground that the workers employed by him are demanding higher rates of wages or lead involved in certain operation(s) is more or the bags to be handled are heavier.

The services required to be performed under the contract have been categorized in two parts, viz. Part I–Receipts/Dispatch Deliveries and Part II other services. Based on the local market trend and other relevant factors, the Corporation have prescribed rates for each of the service described in each Part which are shown in the PRICE BID (Schedule of Rates) for services annexed to the form of Tender. Tenderers are required to quote for all the services covered by the two parts detailed in CL. XIX of the Annexure containing the terms and conditions in the tender form annexed as PRICE BID and to indicate if they offer to work on the basis of the rates shown in the schedule of rates for services or offer a uniform percentage of reduction or enhancement, as the case may be, in the rates mentioned in the said Schedule of Rates.

In case of the rates are quoted in a manner other than mentioned above, the tenders are liable to be ignored. The Tenderers should not incorporate any condition in the tenders as conditional tenders will be summarily rejected.

(iii) Mechanized Loading/Unloading Operations

- (a) The Contractor shall mandatorily bring in modern technology for loading and unloading operations at the same quoted price at its own cost. The contractor has to provide mandatorily mechanized loading/unloading points as under:

Capacity of Godown	Mandatorily mechanized loading/unloading points to be provided by Contractor (minimum requirement)
Up to 20000 MT	1
20000 to 40000 MT	2
Above 40000 MT	3

- (b) In addition to (a) above the Contractor shall have the option to bring in modern technology for all the loading and unloading points of operations in Depot at the same quoted price at its own cost.
- (c) FCI shall facilitate/permit use of such technology in FCI operations. The electricity bill in depot premises will be borne by FCI, no extra remuneration, will be payable by FCI to the contractor on this account.
- (d) In case the contractor has to use other fuel options, the same shall be borne by the contractor at his own cost.
- (e) If the contractor wishes to mechanize loading and unloading operations at rail-head the same shall be undertaken by the contractor at his own cost including electricity/fuel expenses.
- (f) Contractor shall install the mandatory mechanized solution as stipulated in the (a) above within 60 days of award of work.
- (g) In case the contractor doesn't provide mechanized solution as per mandate given above, penalty as stipulated in the tender document shall be levied.

C. Volume of work: No definite volume of work to be performed can be guaranteed during the currency of the contract. However, some items of general information are given in **Annexure-I** to the tender. The particulars given in the **Annexure** are intended merely to give the tenderers an idea of the approximate quantum of work, so as to help in making their own assessment for quoting the rate in accordance with the conditions of the contract. It should be clearly understood that no guarantee is given that all the items of work as shown in the annexure to tender will be required to be performed.

The contract, if any, which may arise from this tender shall be governed by the terms and conditions of contract as contained in the invitation/general information to the tenderer and as given in the annexure and appendices to this tender.

He shall provide tarpaulins on the decks of the trucks, so as to avoid loss of the grain etc; through the holes/crevices in the decks of the trucks. He shall also exercise adequate care and take precautions to ensure that the foodgrain bags are not damaged while in transit in his trucks/carts/any other transport

vehicles/container. He shall deliver the number of bags and the weight of foodgrains, fertilizers; etc; received by him and loaded on his trucks. The contractor shall be liable to make good the value of any shortage, wastage, loss or damage to the goods in transit **at twice the average acquisition cost** as applicable from time to time for all foodgrains and commodities other than sugar and **thrice the average acquisition cost** as applicable from time to time in respect of sugar except when General Manager (Region) (whose decision shall be final) decides that the difference between the weights taken at the dispatching and receiving ends is negligible and is due to discrepancies between the scales, gain or loss in moisture or other causes beyond the contractor's control. Such recovery shall be effected without prejudice to the right of FCI to initiate civil/ criminal proceedings against the defaulting contractor wherever it is suspected that the shortages/losses occurred due to deliberate/ willful omission, theft, misappropriation, irregularities etc. committed by the contractor or his representatives/employees.

28. The contractor shall be responsible for performing all or any of the services detailed in and arising out of this contract also at night without any additional remuneration whenever required by the General Manager or an Officer acting on his behalf.
29. **The contractor shall make its own lighting arrangements for working at night or day time as per the requirement for loading/unloading/transport operations etc.**
30. The contractor shall be liable for all costs, damages, charges and expenses suffered or incurred by the Corporation due to the contractor's negligence and unworkman like performance of any service under this contract or breach of any terms thereof or his failure to carry out the work with a view to avoid incurrence of demurrage; wharfage etc; and for all damages or losses occasioned to the Corporation or in particular to any property or plant belonging to the Corporation due to any act whether negligent or otherwise of the contractor himself or his employees. The decision of the General Manager regarding such failure of the contractor and his liability for the losses etc. suffered by Corporation shall be final and binding on the contractor.
31. The contractor shall provide and maintain correct weights and scales and carry out all the weighments accurately. The General Manager or an officer acting on his behalf shall have the right to check the weights, scales and weight of any bag or bags to open any bag for examination.
32. The contractor shall, when directed to do so, arrange to obtain tarpaulins/ropes/lashes when supplied by the Railway, transport them, if necessary, spread tarpaulins over or inside open box type or leaky covered wagons as the case may be and tie the ropes/lashes over the consignments of foodgrains loaded in such wagons, with a view to ensure the safety of goods in rail transit and also untie ropes/lashes and remove the tarpaulins from the wagons and perform all other auxiliary services connected with the handling of such wagons. The remuneration for loading/unloading of such wagons shall be deemed to include the remuneration for the aforesaid services also.
33. The contractor shall display prominently on his trucks two or more signboards as prescribed by the Corporation painted in black and in white indicating that the stocks carried therein belong to the Food Corporation of India. No extra remuneration, whatsoever will be payable for displaying such signboards. The General Manager or an officer acting on his behalf shall have the right to disallow loading of any

truck with FCI stocks if the contractor do not display prominently the sign boards of the aforesaid type.

34. The loading of the stocks will be restricted to the rated axle load of the commercial vehicle prescribed under the Motor Vehicles Act and Rules there under as amended from time to time and the Contractor will abide by such rules in regard to loading of vehicles. If any penalty is imposed by any authority or any action is taken, in the event of overloading the vehicle, the Contractor shall be solely responsible for the same. Any Contractor resorting to overloading of the trucks in violation of the Rules will be treated as violating the terms & conditions of this Contract for which his Contract is liable to be terminated.
35. The Contractor shall give an undertaking agreeing to abide by the Section 11 of the Carriage by Road Act, 2007 and shall undertake to compensate the loss as per the provisions of MTF. Further, Contractor shall also submit necessary documents of registration etc. to the Corporation.
36. "In accordance with the Govt. of India, Ministry of Road Transport & Highways programme for electronic toll collection from vehicles plying over National Highways, the Contractor shall ensure that the toll is paid electronically through pre-paid Tag affixed on the wind screen of the Vehicles deployed for Corporation duty which would enable seamless travel through dedicated lanes installed with Tag readers and facilitate adoption of cashless system and produce proof of same as and when demanded by the Corporation."

37. GPS for trucks/vehicles

- (i) Contractor shall mandatorily provide trucks/vehicles fitted with GPS device confirming to AIS-140 or as decided by FCI from time to time at his own cost.
- (ii) The contractor shall abide the instructions of FCI for connecting the GPS of the trucks supplied by him to any online system advised by FCI.

NOTE: The rate of transport of foodgrains quoted in preceding schedules for items 2, 6, & 7 is subject to the following terms and conditions:-

1. The bidders/ tenders shall quote the rates on the GeM portal in the below prescribed manner only:

Schedule of rates (SOR) - The bidder cannot quote negative value as per GeM format. The Schedule of Rate value is equivalent to 100% and accordingly, the BSOR can be between 0 to 100 % and the ASOR will be above 100%.

Illustration –

If the Schedule of Rates (SoR) as mentioned in the bid is Rs. 100, then the percent rate quoted by the bidder on the GeM portal will be treated as under:

- I. If the bidder quotes 100% then the rate will be treated as Rs. 100 X 100% i.e. Rs. 100 which is equivalent to Schedule of Rates (SoR). i.e. at par with SoR
 - II. If the bidder quotes 60% then the rate will be treated as Rs. 100 X 60% i.e. Rs. 60 which is Below Schedule of Rates (BSoR). i.e. 40% BSoR
 - III. If the bidder quotes 120% then the rate will be treated as Rs. 100 X 120% i.e. Rs. 120 which is Above Schedule of Rates (ASoR). i.e. 20% ASoR.
2. The rate for transport of food grains etc. is on the basis of net weight of food grains 'inclusive of all taxes including GST'.
 3. No separate remuneration will be payable for part of gunnies as the remuneration therefore shall be deemed to be included in the rates for transport of net weight of foodgrains.
 4. The transport charges are payable for the distance covered by loaded lorries/any other vehicle and not for distances covered on return journey or from garage to place of loading or back to garage. Payment on net weight basis envisaged in the note above applies to handling operations also.
 5. Transport charges shall be payable for 1 kilometer when the distances covered by a loaded/lorry/any other vehicle per trip is less than one kilometer, for distance over one kilometer per trip, the distance covered by a lorry/any other vehicle shall in all cases be rounded off to the nearest 0.50 Kms. (applicable to item -7).
 6. The distance will be reckoned as fixed by the Chief Engineer PWD or any officer nominated by him or by the General Manager Food Corporation of India or checked by an officer acting on his behalf rounded off to the nearest 0.50 Kms (applicable to item-7).
 7. No compensation shall be admissible to the contractor in respect of the detention of trucks/any other vehicle/container at godowns, railway goodshed/railway siding or any other loading/unloading point(s) or any other place(s) unless such detention be of extra-ordinary kind and the decision of the General Manager, Food Corporation of India on all such claims shall be final both as regards the admissibility and an amount, if any, of the compensation.

Tender No.

Dated-----

8. No compensation shall be admissible to the contractor on account of non-availability of work sufficient to engage the number of trucks/carts/or any other vehicles/container /labour specified in any programme issued by the General Manager, Food Corporation of India or an officer acting on his behalf.
9. The weight of bags of foodgrains etc. loaded/unloaded into from trucks/carts/or any other vehicles/container/wagons at the Railway siding/Railway goodshed/godowns/other loading and unloading point(s), shall be worked out on the basis of cent per cent weighment, if the bags are non-standardized, and on a check weighment of percentage of bags not exceeding 10 per cent, if the bags are standardized, before being loaded/unloaded. The representative of the contractor shall be present at the time of checking of weights at the loading/unloading points etc.
10. The rates for item 6 of the schedule of the rates is applicable to the godowns situated at a considerable distance from the Railway siding in the same premises which have been indicated in the invitation to tender (under place of operation) titled General Information. This rate includes the remuneration for loading into and unloading from trucks and will be paid in addition to the rate fixed for service item no. 3 or 4 or 5, when the General Manager is satisfied that the trucks are actually engaged for carrying the bags from the railway siding. The decision of the General Manager regarding the admissibility of this claim shall be final and binding on the contractor.

NOTE NO. 1

No Charges other than those mentioned above shall be payable in respect of the services described in parts-I and II of the schedule of the services or any other duties, services and operations which are auxiliary and/or incidental to the principal services.

NOTE NO. 2

In case of bags of weight upto 42 Kg and 52 Kg, the same rates will be applicable for handling operations as that of bags of weight of 40 Kg and 50 Kg respectively.
