

EXPRESSION OF INTEREST (EOI) FOR BULK TRANSPORTATION OF FOOD GRAINS BETWEEN SILOS

Food Corporation of India (FCI) is the nodal agency of the Govt. of India, under the Ministry of Consumer Affairs, Food & Public Distribution, is primarily engaged in the procurement, storage, preservation, and distribution of food grains to ensure food security of the nation. As a part of its operations, Food Corporation of India moves foodgrains from surplus to deficit regions through various modes of transportation.

In order to modernize the food grain storage infrastructure across the country, FCI has drawn up a long-term action plan to develop steel silos, for storing of food grains in bulk along with bulk handling facility.

FCI is exploring appropriate solutions for efficient, cost effective and safe transportation of food grains, in bulk, from Silos in the surplus regions to Silos in deficit regions and Hub & Spoke Silos within the region.

In this context, solutions are hereby sought to provide bulk transportation solutions, including that in containerized form, for the inter-Silo movement of food grains. This is an open invitation, to the most suitable and practically implementable solutions/ designs, for meeting FCI's requirements.

The movement operations of FCI can be accessed from the website <https://fci.gov.in/movement.php>. For any further information/ inputs, the interested parties may send their specific queries, via email at gmmovt.fci@gov.in.

The interested parties may submit their application with FCI, along with brief details about the designs/technology proposed, in the proforma **annexed** through email to gmmovt.fci@gov.in on or before 15.06.2023.

This EOI is not a tender for award of any work. It is aimed to explore the appropriate and cost-effective solutions for inter-silo transportation of food grains in bulk.

**The Chairman & Managing Director,
Food Corporation of India,
16-20, Barakhamba Lane, New Delhi**

**Sub:- Application for E.O.I. regarding providing cost effective solutions
for transportation of food grains between Silos in bulk.**

Sir,

I/We would like to submit the cost effective solutions for transportation of Bulk Foodgrains between Silos. The detail is as follows:-

1. Name of the Firm/Individual :
2. Address :
- Mobile Number :
- E-Mail id :
3. Solution offered :
4. Whether the Solution offered is already existing or not :
5. Estimated Average Transportation Cost per MT:
6. Any other information :

We hereby declare that we abide by the terms and conditions of E.O.I dated 31.05.2023

Yours faithfully,

.....
