Subject: Relaxation in specification of Lustre loss wheat for Government of Rajasthan –reg.

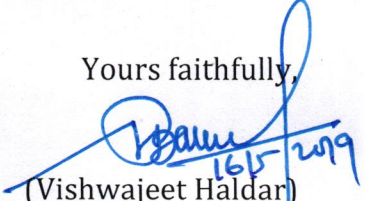

Sir,

I am directed to refer your letter No. F-33/Food Dep./Proc./RMS/2019-20 dated 22.04.2019 wherein the analysis results of samples drawn from various districts of Rajasthan by FCI in association with State Government were sent, seeking relaxation in specification of wheat for RMS 2019-20 due to unseasonal rainfall in various districts of Rajasthan.

In order to reduce the hardship of farmers and to avoid distress sale of wheat, by them Government of India had allowed to procure wheat in various affected districts of Rajasthan by allowing relaxation in Lustre loss wheat on provisional basis based on the assessment report of FCI so that farmers should get the remunerative price of their produce, vide Department of Food & Public Distribution letter's of even No. dated 24.04.2019 and dated 25.04.2019.

Now, based on analysis results of wheat samples collected & analysed by the Joint team comprising of officers of Ministry, FCI & State Government of Rajasthan, relaxation granted earlier for Hanumangarh, Sriganganagar, Kota, Baran and Bundi are continued as **Final** relaxation. Other terms & conditions of provisional relaxation will remain unchanged and applicable during procurement period.

Yours faithfully,

(Vishwajeet Halder)
