विषय: - Change in Constitution of Business in GST Registration...reg

भवदीय,

FCI, Headquarters has received various communications regarding warning message/ Error appearing on PAN in GST Portal at the time of registering as Tax Deductor under GST and amending the core fields of GST details at GST portal. The error messages appearing on the portal are as below:-

- PAN provided of this registration form is not matching with the Constitution of the Business field Selected.
- AAACF0365N: PAN 4th character not matched with constitution of business.

In above context, communication was done with GSTN and GST Council but till date no resolution has been received on the issue.

Therefore, keeping in view of operational difficulties, as interim solution it has been decided to change the Constitution of Business in GST registration from "Statutory Body" to "Others".

Hence, it is requested to change constitution of business in the GST Registration under your control as stated above, for the purpose of taking TDS registration as well as amending the core fields of GST registration.

This is for your information and necessary compliance.
