विषय: - Constitution of Business for TDS Registration...reg

महोदय,

FCI, Headquarters has received various communications regarding warning message/ Error appearing on PAN in GST Portal at the time of registering as Tax Deductor under GST. The error messages appearing on the portal are as below:-

"PAN provided in Part A of this registration form is not matching with the Constitution of the Business field Selected."

In above context, communication was done with GSTN and GST Council but till date no resolution has been received on the issue.

Therefore, as an interim solution it has been decided to select "*Any other body notified by Committee*" as Constitution of Business instead of "Statutory Body" for the purpose for getting TDS deductor registration under GST.

Hence, it is requested to take necessary action for every State/UT under your control.

This is for your information and necessary compliance.
