**Subject: - Decision on Input Tax Credit...reg**

Sir/Madam,

M/s E&Y , GST tax consultant at FCI have given their report on Input Tax Credit based on corporate level data and have recommended that it may be expedient for FCI to not claim ITC under GST law as effort required will exceed the ITC expected.

However return is to be filed at each Registration unit and ITC for each GST Registration depends on their respective figures. It is therefore advised to examine the matter for each GST registration ID under your control and take appropriate decision for claiming ITC or otherwise, considering the monetary saving & additional efforts. Decision on the subject may be taken immediately and compliance report alongwith decision taken be communicated to Hqrs for record.

The copy of E&Y report on Input Tax Credit is enclosed for your reference.
