Subject: Registration under GST.....reg.

Sir,

Goods and Service Tax (GST) is due to be implemented in 2017. It will replace a number of central and state taxes such as Central Excise Duty, Service Tax, Central State Tax, State VAT etc. The registration for GST has already stated.

This office in consultation with tax consultation has decided that there should be single registration under GST for every state (at Regional office level) and all other offices/premises in the state has to be shown as addition place of businesses. The registration of IFS, Zonal offices and Headquarter may be postponed, for which separate instructions will be sent later.

All the Regional Heads are requested to take immediate steps for registration under GST.

Yours sincerely,

अक्षय विशाल
