विषय: - Constitution of Business for TDS Registration...reg

महोदय,

References have been received from various regions about receipt of email from GSTN office where GST authorities have asked FCI offices to correct constitution to business through core amendment, after our offices have applied for TDS registration.

As is aware TDS is to be deducted by certain specified persons u/s 51 of CGST, 2017 i.e. Government Body, Statutory Body, Govt. Department etc. and FCI is a Statutory Body incorporated under FCI Act, 1964. Hence, most appropriate constitution of business for FCI is "Statutory Body". But during initial TDS registration under GST Act, GSTN portal did not accept "Statutory Body" as Constitution of Business and we had to select "Any other body notified by Committee" as an interim solution to get ourself registered.

The above matter was taken up with appropriate authorities and consequently, now GSTN portal is allowing amendment of Constitution of Business from "Any other body notified by Committee" to "Statutory Body".

So you are requested to amend your GST TDS Registration accordingly and confirm the same to this office as soon as possible. Further, as a follow up action, a mail may be send to GSTN and jurisdictional GST Authorities for which a draft mail is enclosed.
