(i) The rates indicated above are inclusive of all taxes excluding GST.
(ii) The L1 will be assessed based on all the factors indicated above considering average monthly mileage (Kilometer) of last one year.

For Example, if a tenderer quotes (a) Rs. 20,000/- per month as Base rate (b) Rs.10 per Km and (c) Rs. 50/- as Haltage Charge, For Total distance travelled 4000 KM the cost analysis will be as under:

Rs.20, 000/- + (b) (4000-2000)*10 = 20000 + (c) 50 = Rs.40050/-

(iv) For Over Time rate, it will be the responsibility of the service provider to claim the same with detail particulars and authentication.
