

## **PUBLIC NOTICE**

### **INVITING SUGGESTIONS FROM PUBLIC AND STAKEHOLDERS ON RESTRUCTURING OF F.C.I.**

The Govt. of India has set-up a High Level Committee (HLC) of experienced persons and experts under the Chairmanship of Hon'ble Member of Parliament, Shri Shanta Kumar, to recommend restructuring of Food Corporation of India with a view to improving its operational efficiencies and financial management.

The constitution of the High Level Committee by the Government of India and its terms of reference are placed in the public domain at FCI website: [www.fciweb.nic.in](http://www.fciweb.nic.in)

General Public and stake-holders including professionals, academicians, scientists, NGOs/institutions, self-help groups, co-operatives, farmer bodies/associations, rice/ flour millers, handling & transport contractors, government bodies etc. in the field of food management, agriculture, storage, warehousing, supply chain and logistics etc. are hereby solicited to send their suggestions on restructuring of the Food Corporation of India.

Suggestions are also invited to reorient the role of FCI in Minimum Support Price operations, storage and distribution of foodgrains and food security systems of the country.

Views may also be given with regard to integration of supply chain of foodgrains in the country, suggesting most efficient model for storage and least cost option of moving grains alongwith tracking of carriage. Views on

models of scientific storage and upgradation of technology in management of foodgrains are also welcome.

The suggestions / views as aforesaid may be sent to Executive Director (Coordination), Food Corporation of India, 16-20, Barakhamba Lane, Headquarters, New Delhi-110001 by post or by FAX No.011-23414555 or by e-mail at [suggestions.fci@gov.in](mailto:suggestions.fci@gov.in) by 30<sup>th</sup> September, 2014.
