

## **Procurement Monitoring System (PMS)**

Procurement Monitoring System (PMS) was developed by NIC with an objective to monitor the progress of procurement of wheat/rice across the country. The Paddy/Rice (KMS) Module was rolled out on 01st Oct 2013 for the KMS 2013 – 14 and Wheat (RMS) Module was rolled out on 24th Mar 2014 for the RMS 2014 – 15.

It has been decided by JS (P & FCI) in the meeting dated 21.07.2015 that FCI District Offices will feed the procurement data for FCI as well as State Agencies across the country.
