- Ref: 1. Your letter No. Nil dated 9.4.2013, 15.5.2013 & 10.6.2013
2. Reply of FCI by CPIO/AGM(CE) R.O. Dimapur vide letter No. E/NMR/Senapati/3/2012/Pt.II dated 25.4.2013.
3. This office letter No. Engg.32(3)/RTI/11-12/Vol.VI dated 31.5.2013.

Sir,

In reference to your application dated 15.5.2013 addressed to First Appellate Authority/GM (Engg.) FCI, Hqrs., the reply submitted by CPIO/AGM (CE) Dimapur dated 25.4.2013 has been reviewed by the and the para-wise comments are as under.

- 8.1 The reply of the CPIO/AGM (CE) Dimapur is not misleading. On review, further submission is added as under.
- A copy of sanction conveyed to the construction agency is enclosed as Annexure-I.
 - The document showing the abstract of cost submitted by CPIO/AGM (CE) Dimapur are placed at Annexure-II. (1 no. sheet) This document clearly indicate the brief specifications, provision of each subhead.
 - The basis for working out for the estimated cost are as under.
 - For godown portion – CPWD, PAR- 1986.
 - Ancillary Building – CPWD, PAR- 2007.
 - Internal road and path, boundary wall, and other misc. items – CPWD, DSR- 2002.
 - Strom water drain – CPWD, PAR- 1992.

All the above basic rates were updated with prevailing cost index at the time of processing of the estimate.

8.2 The information submitted by the CPIO/AGM (CE) Dimapur is not false or misleading. However for the sake of clarity on your part, it is to inform that the reference of page no. 2 Annexure-C is much prior to the finalization of revised estimate. Hence, it is affirmed that accord of the revised estimate is as per Annexure-C as already submitted by CPIO/AGM (CE). Further a typed copy of page No. 3 of Annexure-C, as submitted by CPIO/AGM (CE) is placed at Annexure-III. (3 nos. sheets)

Annexure-'C' as submitted by CPIO/AGM (CE) clearly indicates the additional items at serial No 16 to 20, which led to revision of estimate (A mention in remarks column has been made).

8.3 Apparently you have not shown your clarity for review if the reply submitted by CPIO/AGM (CE) Dimapur. For any Civil Engg. Department, a schedule of rate as notified by appropriate authority, from time to time, is adopted for working out an estimated cost. In the instant case, the schedule of rate as published by Central Public Works Department (CPWD), as "Delhi Schedule of Rates (DSR) – 2002 and 2007" were followed. Further, as narrated in para 8.1 above, the basic rates are up-dated suitably with notified/calculated prevailing cost index of the location for working out an estimated cost.

8.4 CPIO/AGM (CE) submitted a copy of the agreement executed between FCI and the Construction Agency which includes all relevant information. However, two more documents relevant to entrustment of the work to construction agency are attached as under:

- (i) Copy of the letter issued by Govt. of Manipur bearing No. 6/1/2008-FCS dated 7.11.2008 as Annexure-V. (1 no. sheet)
- (ii) Copy of the GM (R) letter bearing No. E/NMR/Senapati/3/05 Pt. I dated 19.3.2010 as Annexure-I.

Yours faithfully,

Losco
