

**Press Release**

**FOOD CORPORATION SELLS WHEAT TO SMALL TRADERS**

The FCI in terms of GOI directions has been selling wheat under OMSS (D) scheme to bulk consumers as per the prescribed terms & conditions through process of tender. The GOI has now extended the OMSS(D) scheme so as to sell wheat directly to small/traders from FCI/State Agencies nominated depots all over the country. The scheme for the traders has been simplified whereby the traders can now directly approach the concerned Area Manager of FCI along with Notary attested copies of PAN Card/Voter I card and VAT registration certificate (Wherever applicable in the state).

The traders can buy minimum of three tones to maximum of nine tones of wheat per depot/per day/per trader. The detailed scheme indicated location of the nominated Depots and Area Managers can be seen on the website [www.fciweb.nic.in](http://www.fciweb.nic.in)
