

Press Release

Food Corporation of India has revised its Model Tender Form for Road Transport Contracts. Now there is an opportunity for the prospective transport contractors without experience also to participate in tenders of FCI. Further, now the rates have been linked with diesel prices thus, there is a provision for revision of rates after every quarter. The revised MTF has also been uploaded on FCI website www.fcweb.nic.in and one can visit the same for viewing the full model tender form for road transport contracts.
